

Magisterial District Judge Candidate Questionnaire

The ACLU of Pennsylvania's Campaign for Smart Justice announced its Allegheny County launch in June of 2018. Since that time, a coalition of community-based justice organizations and ACLU-PA has been working to educate and engage elected officials, voters, and other stakeholders in the criminal legal system and its impact on issues such as pretrial detention and debtor's prisons, as well as substance use disorder and evictions - issues which disproportionately impact Black and brown Pennsylvanians in Allegheny County and across the commonwealth.

Disclaimer: The ACLU is a nonpartisan organization and we do not endorse candidates for election. The responses gathered from this questionnaire will be made available to the public on our website as voter information.

The following 18 questions address issues and practices that would be under your authority if you are elected/re-elected to the position of Magisterial District Judge.
