From what I read, it appears Officer Is Fine will be the next Chief. A corrupt one for the matter if he is Tom's little puppet.

This is great.

Tom hires his nephew, Earth Concepts, to complete the work. They claim it only cost \$24k, but that whole \$24K was given to his nephew, the Township's employees salaries weren't included in that amount.

Obviously Mr. DeRosa you are well known for for your favoritism: Remember what happened to the infamous magistrate? I thought I was the only one who knew.

Tom,

You sound like a fool who got caught...LIAR! I will not sign my name due to your puppet Officer Fine will harass me as he has in the past when I questioned the decision made by your administration. He is your nephew due to the fact he came from your sisters womb who "was" married to Paul E. Sr who is the estranged husband of Ms Hardy, Paul E. Jr. runs Earth Concepts-Fact! Tom I know your family history pretty well, and I won't drag them down due to your corruption. . Quit name calling and just take your medicine. So should we expect another letter full of lies before the election as we did at the primary. I will continue later, have to earn some money.
