INTRODUCTION

This annual report is submitted to the Appropriations and Judiciary Committees of the Senate and House of Representatives to provide the Legislature with an accounting of the property forfeited under the provisions of the Controlled Substances Forfeitures Act of June 30, 1988, Act No. 1988-79, 42 Pa. C.S.A. Section 6801 et seq. Section 6801(j) of the Controlled Substances Forfeitures Act provides that the Attorney General shall annually submit a report specifying the forfeited property or proceeds thereof obtained under these sections. The report shall give an accounting of all proceeds derived from the sale of forfeited property and the use made of unsold forfeited property.

The Act provides for the utilization of forfeitures by both the Attorney General and the District Attorneys in the Commonwealth. This report contains information on property forfeited to the Commonwealth collected pursuant to the laws, as reported by both the Office of Attorney General and the District Attorneys. For fiscal year 2013-2014, sixty-two (62) counties submitted reports to the Office of Attorney General. Two (2) counties reported no activity and three (3) counties did not submit their reports. The information reported from these counties is a compilation of data provided by them and has not been audited by the Office of Attorney General.

Additionally, in December 1990 the Office of Attorney General and the Pennsylvania State Police entered into an agreement that would allow the Pennsylvania State Police to share in drug forfeitures which resulted from their investigations. The agreement established guidelines for the Office of Attorney General and the Pennsylvania State Police to follow so as to ensure that both agencies complied with the provisions of the Controlled Substances Forfeitures Act.

All funds due the Pennsylvania State Police under this agreement are transferred monthly into a separate State Police restricted revenue account within the State Treasury. The Pennsylvania State Police reports to the Office of Attorney General on use of the funds on a quarterly basis.

The Report of the Office of Attorney General Summary of Forfeited Cash includes the forfeited property and the proceeds from the sale of forfeited property, not only for assets retained by the Office of Attorney General, but also for those which have been transferred to the Pennsylvania State Police.

FOOTNOTE DISCLOSURE

¹ Six seized assets (Assets: 1202416, 1202578, 1202579, 1202695, 1202580, and 1202581) were court awarded and earned by the Office of Attorney General in May 2014, but not posted to SAP by June 30, 2014. The OAG should have recognized this revenue by fiscal year when the District Attorney share in the same case was disbursed. This action resulted in the OAG understating its OAG Cash Forfeitures, OAG Total Revenue, OAG Total Available, and OAG Ending Balance by \$3,193,504.26. This report reflects what the totals should have been as of 6/30/2014 if the "revenue in transit" was properly recorded. The balances prior to this restatement were OAG Cash Forfeiture \$1,527,968.90, Total OAG Revenue \$1,871,461.26, Total OAG Available \$6,101,461.06, and OAG Ending Balance \$5,029,762.99.

**CONTROLLED SUBSTANCES
FORFEITURES
42 PA. C.S.A.
SECTION 6801**

CHAPTER 68. CONTROLLED SUBSTANCES FORFEITURES

§ 6801. LOSS OF PROPERTY RIGHTS TO COMMONWEALTH

- (a) Forfeitures generally.--The following shall be subject to forfeiture to the Commonwealth and no property right shall exist in them:
- (1) All drug paraphernalia, controlled substances or other drugs which have been manufactured, distributed, dispensed or acquired in violation of the act of April 14, 1972 (P.L. 233, No. 64), known as The Controlled Substance, Drug, Device and Cosmetic Act.¹
 - (2) All raw materials, products and equipment of any kind which are used, or intended for use, in manufacturing, compounding, processing, delivering, importing or exporting any controlled substance or other drug in violation of The Controlled Substance, Drug, Device and Cosmetic Act.
 - (3) All property which is used, or intended for use, as a container for property described in paragraph (1) or (2).
 - (4) All conveyances, including aircraft, vehicles or vessels, which are used or are intended for use to transport, or in any manner to facilitate the transportation, sale, receipt, possession or concealment of, property described in paragraph (1) or (2), except that:
 - (i) no conveyance used by any person as a common carrier in the transaction of business as a common carrier shall be forfeited under the provisions of this section unless it shall appear that the owner or other person in charge of such conveyance was a consenting party or privy to a violation of The Controlled Substance, Drug, Device and Cosmetic Act;

- (ii) no conveyance shall be forfeited under the provisions of this section by reason of any act or omission established by the owner thereof to have been committed or omitted without his knowledge or consent, which absence of knowledge or consent must be reasonable under the circumstances presented;
 - (iii) no bona fide security interest retained or acquired under 13 Pa.C.S. (relating to commercial code) by any merchant dealing in new or used aircraft, vehicles or vessels, or retained or acquired by any licensed or regulated finance company, bank or lending institution, or by any other business regularly engaged in the financing of, or lending on the security of, such aircraft, vehicles or vessels, shall be subject to forfeiture or impairment; and
 - (iv) no conveyance shall be forfeited under this section for violation of section 13(a)(31) of The Controlled Substance, Drug, Device and Cosmetic Act.²
- (5) All books, records and research, including formulas, microfilm, tapes and data, which are used or intended for use in violation of The Controlled Substance, Drug, Device and Cosmetic Act.
- (6)(i) All of the following:
- (A) Money, negotiable instruments, securities or other things of value furnished or intended to be furnished by any person in exchange for a controlled substance in violation of The Controlled Substance, Drug, Device and Cosmetic Act, and all proceeds traceable to such an exchange.
 - (B) Money, negotiable instruments, securities or other things of value used or intended to be used to facilitate any violation of The Controlled Substance, Drug, Device and Cosmetic Act.
 - (C) Real property used or intended to be used to facilitate any violation of The Controlled Substance,

Drug, Device and Cosmetic Act, including structures or other improvements thereon, and including any right, title and interest in the whole or any lot or tract of land and any appurtenances or improvements, which is used, or intended to be used, in any manner or part, to commit, or to facilitate the commission of, a violation of The Controlled Substance, Drug, Device and Cosmetic Act, and things growing on, affixed to and found in the land.

- (ii) No property shall be forfeited under this paragraph, to the extent of the interest of any owner, by reason of any act or omission established by the owner to have been committed or omitted without the knowledge or consent of that owner. Such money and negotiable instruments found in close proximity to controlled substances possessed in violation of The Controlled Substance, Drug, Device and Cosmetic Act shall be rebuttably presumed to be proceeds derived from the selling of a controlled substance in violation of The Controlled Substance, Drug, Device and Cosmetic Act.
 - (iii) No valid lien or encumbrance on real property shall be subject to forfeiture or impairment under this paragraph. A lien which is fraudulent or intended to avoid forfeiture under this section shall be invalid.
- (7) Any firearms, including but not limited to, rifles, shotguns, pistols, revolvers, machine guns, zip guns or any type of prohibited offensive weapon, as that term is defined in 18 Pa.C.S. (relating to crimes and offenses), which are used or intended for use to facilitate a violation of The Controlled Substance, Drug, Device and Cosmetic Act. Such operable firearms as are found in close proximity to illegally possessed controlled substances shall be rebuttably presumed to be used or intended for use to facilitate a violation of The Controlled Substance, Drug, Device and Cosmetic Act. All weapons forfeited under this section shall be immediately destroyed by the receiving law enforcement agency.

- (b) **Process and seizure.**--Property subject to forfeiture under this chapter may be seized by the law enforcement authority upon process issued by any court of common pleas having jurisdiction over the property. Seizure without process may be made if:
- (1) the seizure is incident to an arrest or a search under a search warrant or inspection under an administrative inspection warrant;

- (1) Retain the property for official use.
 - (2) Sell any forfeited property which is not required to be destroyed by law and which is not harmful to the public, but the proceeds from any such sale shall be used to pay all proper expenses of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising and court costs. EXHIBIT C

METHODOLOGY STATEMENT

Geographic Mapping

Amici counsel reviewed the complete list of every civil forfeiture petition filed by the Philadelphia District Attorney's office seeking forfeiture of real estate in calendar year 2010 (the year of Donald Graham's first arrest in this case). See Exhibit D(2).

In that year alone, the Philadelphia District Attorney's office filed civil forfeiture petitions against 452 homes for alleged drug offenses.¹ We placed the addresses of all 452 properties into graphic mapping software, PolicyMap,² which graphically displays the data and contains overlays of official census statistics relating to income, race, and other neighborhood characteristics.

Each orange triangle on the maps represents a residential real property against which a forfeiture petition was brought.

Figures 1 & 2 (pp. 35-36)

The mapped data points line up with areas of the City that are overwhelmingly non-white, most notably in African-American neighborhoods in North Philadelphia and West Philadelphia.

Figure 3 (p. 37)

This mapping shows all 2010 Civil Forfeiture petitions with an overlay of the estimated typical median income of a family in that area. The darkest regions of the map are areas where the average income is \$88,751 or more, and the lightest areas are those where the average income is \$41,114 or less.

¹ Based on the data provided by the Administrative Office of Pennsylvania Courts there were a total of 479 real properties against which the Philadelphia District Attorney's office filed civil forfeiture petitions in 2010. Looking more closely at each of these properties, we separated out the non-residential properties and determined that 452 of the 479 civil forfeiture petitions were filed against residential properties.

² PolicyMap (www.policymap.com) is "an online data and mapping tool that enables government, commercial, non-profit and academic institutions to access data about communities and markets across the US."

Statistical Information

The study of AOPC data also considered the official assessed value of each of the 452 homes in Philadelphia County against which a real estate forfeiture petition was brought. To accomplish this, each property in the City's publicly available property value database was searched.³ These values were placed in an Excel spreadsheet and standardized statistical functions were applied to analyze the data. Among other things, the study revealed the mean, median, and mode of each data set, as well as the values at the 25th and 75th percentiles. Those values are documented in Exhibit D. The data was then sorted by property value from greatest to least and counsel tallied the number of properties with values in \$10,000 increments. These values are presented in a table on pg. 32 in Figure 4 of Amici's brief.

Exhibit D contains a summary of the statistical findings for 2010 and 2015 and a listing of the address and assessed value of every residential property against which a forfeiture petition was brought in 2010 sorted chronologically by filing date.

³ The City of Philadelphia maintains records of the assessed value of each property in Philadelphia County. This official data is publically available at property.phila.gov.
