Dear Vic:

It is with heartfelt gratitude that I write this note. I thank God for being able to share with you what He has been doing in this ministry – the Just for Jesus Challenge Homeless Outreach. I praise Him for connecting us and I look forward to seeing how His plan unfolds through all of the work that you and Nick are putting into this case.

Thank you for the generosity you have shown us. The countless hours spent in working on this case, without any assurance that the value of your time and expenses will be recovered is very humbling. Rest assured that I know God will richly bless you for all that you have done.

It was equally a blessing to meet both you and Nick and to see firsthand how much you truly care about this case and more importantly, the people that it is having a negative impact on. I watched how you spoke with and interacted with the guests and it was apparent that you treated them with incredible respect and compassion. It was very encouraging to see you accept them for who they are – that you do not have an artificial – and ungodly standard – that you require them to meet.

In Luke 10:12-16, Jesus went in to different cities to show miracles and wonders, but some cities didn't accept Him. Those areas will be thrust into hell. If the people hear the Word and despise the messenger, they'll be despised by the Father. If the people accept the Word, God will do many great and mighty miracles in them. He will continue to mold and shape them into the likeness of His son, Jesus Christ.

Please keep me and this ministry in your prayers – I covet them as I seek everyday to continue living out the vision and calling that God has placed on my life. Pray that God uses this incident in Brookville and your acceptance of the case in working out his plan...Romans 8:28: "And we know that all things work together for good to them that love God, to them who are the called according to his purpose."

We will keep you and your work in our prayers as well. If there is anything specific that we can pray about with you or help you with, please call or write anytime. The email address is above and you can call me at 814-590-3898 or to the facility at 814-265-0243.

Thank you and God Bless,

Rev. Jack
